The Perfect Place to *Celebrate*

Nestled beside Furzton Lake in Milton Keynes, Sul Lago is a hidden gem for couples seeking an elegant, peaceful, and highly customisable venue for their wedding celebration.

Many of our couples choose to have a civil ceremony elsewhere and then come to Sul Lago to re-enact their vows and celebrate in style. From intimate micro weddings to full-scale takeovers with outdoor marquees, Sul Lago offers the flexibility, service, and atmosphere to match your vision.

Symbolic & Celebrant-Led Ceremonies

- Celebrant-led weddings welcome
- Indoor and outdoor ceremony options
- Perfect for vow renewals and second ceremonies
- Support from our events team to manage timings and transitions

Although Sul Lago is not a legally licensed marriage venue, we regularly host celebrant-led and symbolic weddings. These are deeply personal and meaningful moments – often re-enactments following a legal registry office marriage. They allow couples to express their commitment in a more individual and scenic setting.

Choose to hold your ceremony inside the venue or outside with a lake view. Our team can assist with layout, seating, and flow, ensuring a seamless transition from ceremony to reception.
